And, provided further, that no part of the provisions of this section shall be construed to prevent the board of county commissioners, from entering into a lease for courthouse premises, rooms and jail for any period in their discretion, not to exceed thirty (30) years, and provided that the county commissioners may contract with responsible parties for the leasing of a courthouse, jail and hospital, or a combination of courthouse, jail and hospital, or fairground buildings and facilities, to be constructed upon premises owned by the county or otherwise, provided that said contract shall be let subject to the provisions of [chapter 28, title 67](#), Idaho Code; the contract also may provide that at the expiration of the term of the lease, upon full performance of such lease by the county, the said courthouse premises, rooms and jail, fairground buildings and facilities, or so much thereof as is leased, may become the property of the county. The board must also provide all necessary books of record for the county auditor and recorder, county treasurer, county assessor, and tax collector, clerk of the district court, county surveyor, and the books and stationery for the use of the board, and so much as is necessary for the use of said county officers in the transaction of official business. 31-1002. BOND ELECTION. Whenever the interests of any county require it, and the board of commissioners of the county deem it for the public good to purchase a site and erect thereon a courthouse and jail, or either thereof, and furnish the same; and the expense of purchasing such site, or erecting such buildings of suitable size and capacity and furnishing the same would exceed the revenue of one (1) year applicable to that purpose, and

the board deems it for the public good to bond the county for the purpose of providing funds therefor, the board of commissioners may, by a resolution adopted at a regular or any special meeting called for that purpose, call an election for such purpose, subject to the provisions of section [34-106](#), Idaho Code, or submit, at any general election, the question of issuing negotiable coupon bonds to an amount deemed necessary to defray the expenses of purchasing such site and erecting and furnishing such buildings.

31-1003. PURCHASE OF SITE -- LETTING OF CONTRACT. The published notice shall contain a general statement of the character and limited cost of the building or buildings, and state that the plans and specifications thereof may be found and examined in the office of the clerk of the board, and state the day when the sealed proposals will be opened and considered. The sealed proposals must be opened and considered publicly, and the contract let to the lowest responsible bidder, unless all bids are rejected; and if all bids are rejected, the board may advertise for new bids, or let the contract, provided it be for a less sum than that offered by the lowest bidder. The board must require a good and sufficient bond of the contractor conditioned for the faithful performance of the contract according to the plans and specifications. The board shall have full power and authority to do and perform any act in relation to purchasing such site and erecting said buildings, at any special or called meeting when all members of the board are present, or at any regular meeting of the board.

31-1007. JOINT SITES AND BUILDINGS -- INDEBTEDNESS. Counties and cities operating under sections [31-1005](#) and [31-1006](#) are hereby authorized and empowered to incur indebtedness and issue bonds for any of the purposes authorized hereby in the same manner in which they are now or hereafter may be authorized by law to incur indebtedness and issue bonds for similar purposes.

31-1008. COUNTY BUILDING CONSTRUCTION FUND -- LEVY OF TAX -- SPECIAL ELECTION. (1) In lieu of the issuance of bonds for the purpose specified in section [31-1002](#), Idaho Code, the board of county commissioners of any county shall have power, in addition to the power specified in said section [31-1002](#), Idaho Code, when in their judgment the best interests of the county so required, to create and establish a fund for the purpose specified in said section [31-1002](#), Idaho Code, and for said purposes are hereby authorized and empowered, by resolution adopted at a regular meeting of said board, or at any special meeting called for that purpose, to levy, in addition to all other taxes now authorized by law, an annual tax of not exceeding six hundredths percent (.06%) of market value for assessment purposes of all taxable property in such county for the current year, to be certified, extended and collected at the same time and in the same manner as taxes for general county purposes, and to be apportioned, when collected, to a special fund to be known as the "County Building Construction Fund," provided, that in the resolution and for the purposes hereinbefore mentioned such board shall call an election, subject to the provisions of section [34-106](#), Idaho Code, or submit, at any general election, the question of creating such fund to defray the expenses of purchasing such site and erecting and furnishing such buildings, at which election only such electors may vote as are qualified to vote at elections held for the issuance of general obligation bonds, and which election shall in all respects be governed and held in the same manner as is now required by law for the holding of elections to determine the question of the issuance of general obligation bonds. If, at such election two-thirds (2/3) of the qualified voters voting at such election shall have voted to create such funds, then such board of county commissioners may annually levy the taxes for the purposes hereinbefore mentioned. Such fund shall remain intact, subject to investment as hereinafter provided, until the

same shall, when augmented by the proceeds of similar levies in succeeding years, be adequate in the judgment of such board to defray the entire cost of purchasing a site and constructing the improvements aforesaid and completely furnishing the same, and no part of such fund shall be expended until complete plans and specifications have been adopted and contracts entered into insuring the completion of such purchase and construction within the limitations of such fund, nor shall the construction of any courthouse or jail be undertaken until such fund is adequate to insure the proper equipment and furnishing thereof.

(2) Notwithstanding the limitations imposed in subsection (1) of this section, the board of county commissioners may create a fund upon a finding by the board that a critical need exists for justice or law enforcement related facilities. The board may deposit any unexpended sums from the county current expense fund or the county justice fund into the county building construction fund or may deposit into the fund all or a part of any non-ad valorem tax revenues not otherwise restricted or dedicated by law. On or before the thirty-first day of March of each odd-numbered year, the board may review the budget for the current fiscal year and adjust the expenditures in the budget to provide for deposits into the fund from revenues not otherwise budgeted or to provide for deposits into the fund from revenues projected to be surplus over budgeted revenues. The adjustments may be made only after a notice is given and a public hearing is held substantially similar to that contained in section [31-1604](#), Idaho Code. After the creation of the fund, the board may, in strict compliance with section [63-802](#), Idaho Code, deposit any amount into the fund on an annual basis.

(3) Provided, that no such fund shall be accumulated in excess of two per cent (2%) of the assessed valuation of the property within such county; provided further, that such fund may be used to supplement the proceeds of any bonds issued pursuant to the provisions of sections [31-1002](#) and [31-1004](#), Idaho Code, for the purposes aforesaid.

31-1010. EXTENSION OF APPLICATION. The powers granted in sections [31-1008](#), [31-1009](#) and this section shall be deemed to be, and hereby are, extended and shall apply to sections [31-1005](#) to [31-1007](#), and 31-1101, whenever any county and such cities shall, jointly, at such election, have determined to acquire a site or sites and construct, equip and furnish such public buildings without the issuance of bonds therefor.
